

# TRANSFERABLE LIFETIME FACTORY WARRANTY

*"Relax! It's an Admiral Sunroom"*

Admiral Sunroom Corp. makes the following warranty on its Admiral Sunroom Enclosure to the owner of the premises on which the patio enclosure was originally installed.

- **We warrant the material to be free from defects and that under normal use and service the aluminum frames will not blister, pit or peel for the life of the purchaser.**
- **We warrant the roof panels and polymer wall panels to be free from defects and that under normal use and building practices will not delaminate for a period of twenty (20) years from date of purchase.**
- **We warrant all other hardware and weatherstrip used in the manufacture of the enclosure windows to be free of defects and that under normal use will not fail and render the enclosure windows unserviceable for a period of ten years. All other wall panels such as aluminum and hardboard are warranted for a period of ten (10) years.**

100% of the cost of material for warranty replacement will be assumed by Admiral Sunroom Corp. Replacement parts supplied under this warranty are warranted for the life of the purchaser. If the part or component of the enclosure originally installed is no longer available and Admiral Sunroom Corp. decides to provide replacement, we reserve the right to substitute such part or component designated by us to be of equal price and/or quality.

The above warranties are extended to the original purchaser of Admiral Sunroom Enclosure. This warranty is transferable to a succeeding purchaser of the residence on which the enclosure was originally installed. The warranty can be transferred by completing the attached Warranty Transfer Card and sending it along with a transfer fee of \$100.00 to Admiral Sunrooms Corp., 2120 California Ave., Corona, CA. 92881.

The painted aluminum and exterior laminate will maintain most of its manufacturers color, however, atmospheric conditions and sun exposure may cause discoloring not covered under this warranty. In the case of a hardboard exterior finish the paint is

warranted for a period of five (5) years. Repainting may be required after that period of time and can be accomplished with the use of an ordinary exterior house paint.

Condensation of the glass and non-thermally broken aluminum is a natural result of humidity within the home and/or changes in the interior and exterior temperatures, and does not indicate a defect and would not be included in this warranty.

Any defect or difficulty with the enclosure resulting from installation, or sizes manufactured outside our published load and size limitations or accessory products not manufactured by Admiral Sunroom Corp. (i.e., skylites, etc.) which caused the defects to occur are not covered by this warranty.

In the event of a failure of material or workmanship covered by the warranty, notify in writing the authorized Admiral Sunroom dealer from whom you purchased the enclosure or to Admiral Sunroom Corp., 2120 California Ave., Corona, CA. 92881. You may be asked to return the failed part prepaid to our factory for inspection prior to new parts replacement. When not practical, we reserve the right to have a factory or dealer representative make an on-site inspection.

The sole responsibility of Admiral Sunroom Corp. under this warranty is stated herein, and it shall not be liable for consequential, indirect or incidental damages or for any amount in excess of its price for the shipment involved, whether the claim is for breach of warranty or negligence. Some states do not allow the exclusion of limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Please detach the Warranty Registration Card within 30 days of purchase to obtain warranty coverage. The return of the Owner Registration Card is a condition precedent to warranty coverage.
